# OMSOC Conference 2010 Saskatoon, Saskatchewan

## OMSOC 2010 • Saskatoon • October 2, 2010

*This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada. A maximum of 5.25 Section 1 credits are available.*

The 2010 OMSOC Conference is an opportunity to interact and network with other specialists from across Canada. The primary learning objective for this year's conference is to effectively manage disability management cases. To that end, we will explore different approaches to disability management through case-based discussion and examine the evidence behind popular disability management guidelines to provide you with the tools which you need to be a more effective practitioner.
